## Wynns Black Label Shiraz 2010

Wynns is privileged to hold Shiraz vineyards on many prime locations within Coonawarra. Furthermore, Wynns planted Shiraz through the 1990s and these now mature vineyards have steadily improved in recent years, spurring us on to create a new home for these distinctive, rich & expressive wines.

#### Palate

This wine is rich & complex, full to medium bodied with flavours of red berries, spice and chocolate. Dense and layered fruit is underpinned by tightly focused tannins on the finish. The spicy and floral notes persist onto the palate to give this wine a unique Coonawarra Shiraz flavour. This is excellent cool climate Shiraz of great fruit density and character.
