### *Wynns Cellar Door*

Wynns Coonawarra Estate was founded by Scottish pioneer John Riddoch, who was a true visionary. He planted vineyards in 1891 and completed the estate's famous triple-gabled winery in 1896. Today the vineyard continues to produce classic and varietal wine which is acknowledged as being amongst Australia's best.

Today Wynns Coonawarra Estate is the region's pre-eminent wine producer and largest single vineyard holder with the best and longest established vineyard sites in Coonawarra. Its wines are regarded as benchmarks for the district; lauded for both their quality and flavour.

Thank you for considering Wynns Coonawarra Estate as the venue to host your function.
