### WYNNS COONAWARRA ESTATE NEW VINTAGE RELEASES

---

#### EXPLORE TWO OUTSTANDING VINTAGES IN OUR 2019 RELEASE

Wynnsday 2019 marks a bold new chapter in the Wynns story, featuring the 62nd vintage of Black Label Cabernet and the first Single Vineyard O'Deas Red Blend.

As a result of a warm and dry 2016 vintage, this release of our John Riddoch Cabernet Sauvignon and Michael Shiraz both sit on the fuller end of the flavour and style spectrums. Yet, with complexity and depth of flavour these wines are unmistakably “Wynns”. 2017, on the other hand, presented a cool growing season with late rain leading to red-fruit and spice notes. Very good quality Black Label Cabernet Sauvignon was made thanks to our significant holdings of prime *terra rossa* vineyards from which we were able to judiciously select the very best fruit on offer. The result is a wine that, while elegant and restrained, has the characteristic ageability for which Black Label Cabernet has become known.

Sarah Pidgeon's favourite from this release is the Michael Shiraz. She believes that, with age, the fine tannins and fragrant fruit will shift into a silky and complex wine. For our senior viticulturist Allen, it's all about wines that are expressions of the vineyards that we nurture. The 2017 Wynns Black Label Cabernet is the quintessential Coonawarra Cabernet for him.

I would like to make special note of the Single Vineyard O'Deas Red Blend. From a site known locally as ‘The Hobbit’, due to its distinctive big footed vines, this is the very first time we have released a field blend of classically Bordeaux varieties. It represents something very different for us at Wynns that was only possible due to unusually even ripening of Cabernet Sauvignon, Cabernet Franc, Malbec and Merlot fruit across the vineyard. This very special single vineyard offering is my pick of the 2019 Wynnsday release.

#### 2019 WYNNSDAY WINE PLANS

**BLACK LABEL  
CABERNET SAUVIGNON 2017**

*Rated 96 points by Andrew Caillard MW, the 2017 vintage of this true icon of Australian wine is another collectable benchmark Black Label Cabernet Sauvignon delivering medium to long-term cellaring potential.*

Opening with a perfume of leaf, black olives and dark cherries, Vintage 2017 gave us spicier Cabernet flavours complementary to the smoky barbeque notes, but the Black Label pedigree remains with persistent dark cherries and fine tannins.

**Coonawarra Best of Region Winner  
- Halliday Australian Cabernet Challenge**

**O'DEAS 3.13  
'SINGLE VINEYARD'  
RED BLEND 2016**

*Created from fruit exclusively borne on the O'Dea's 3.13 vineyard, Mike Bennie rated this blend 96-points. The small site has its own personality with fruit boasting the pedigree to cellar for decades.*

Fresh lavender and mint combine with liquorice and crushed blackberries for an enticing bouquet before an exquisite expression of classic Bordeaux varieties on the palate. Yet the unmistakable terra rossa flavours also pervade – dried mint with lavender and pleasing ubiquitous red cherry flavours.

**Peak Drinking:** Now – 2037

**MICHAEL  
SHIRAZ 2016**

*Made in small quantities and only in exceptional vintages, 2016 lays claim to a 97-point honour from wine aficionado, Andrew Caillard MW. This wine is the fruit of legends.*

Brooding yet enticing berries and dusty French oak underlining the juicy red fruit, as a young wine, we could already appreciate the silky fruit and texture that will develop with time. These are the hallmarks of the great vintages of Michael Shiraz.

**Peak Drinking:** Now – 2036

**JOHN RIDDOCH  
CABERNET SAUVIGNON 2016**

*With a perfect score of 100 points from Andrew Caillard MW, it's no wonder that this is Wynns' flagship wine. Crafted in small quantities from the best available estate-grown fruit, it is the definitive Coonawarra Cabernet Sauvignon.*

John Riddoch is only made when grapes of extraordinarily high quality are available, and the 2016 vintage delivers. It is all about cellarworthy cassis flavours combining with a mocha creaminess from French oak. Beautifully textured with a fine tannin line, this is why small batch winemaking is truly exceptional in its results.
