

New Vintage

## Single Vineyard Cabernet Franc 2025

Sourced from the MacKillop vineyard in northern Coonawarra, the 2025 release of Wynns Cabernet Franc builds confidently on the promise shown in its inaugural vintage.

The 2025 season proved another excellent year for Coonawarra Cabernet Franc. Dry picking conditions produced small, clean berries, resulting in a wine of precise regional and varietal expression.

A shorter period of skin maceration, complemented by maturation in neutral 3,000L French oak vats, allows the vibrant character of Cabernet Franc to speak with clarity. The wine combines youthful energy with genuine structure, lending itself equally to enjoyment on release or a period of cellaring.

### Tasting Notes

#### Vineyard Region

Coonawarra

#### Varietal Composition

100% Cabernet Franc

#### Wine Analysis

Alcohol: 13.1%

pH: 3.48

TA: 6.31

RS: 0.14g/L

#### Peak Drinking

Enjoy on release or cellar for 6+ years.

#### Maturation

Matured for 6 months in seasoned 3000L French oak vats.

#### Colour

Vibrant plum with a magenta hue.

#### Aroma

Bright and intense, reveling in its youthful exuberance, it openly expresses fragrant red rose florals with raspberry, cassis and a more savoury graphite edge.

#### Palate

Juicy yet fine, its luminescent forest fruit flavours display a full spectrum of red, purple and black berries, with a tight chassis of piquant tannin enlivened by refreshing acids.

#### Perfect Pairing

One pan paprika chicken with tomatoes and potatoes, where the tomato-based sauce finds a natural match to the bright red fruits and savoury tones of Cabernet Franc.
