Vineyard Region

Coonawarra

Vintage Conditions

Despite adequate and timely rainfall in the Coonawarra growing season, good solid moisture was no match for the cold southerly winds at the delicate flowering and set phase.

Consequently, low yields resulted. Hot weather in December was the exception in an otherwise mild year.

Cabernet

Colour

Pale copper pink. Fresh and attractive

Nose

Subtle red rose petals with hints of dried apple.

Palate

A lovely dry and mouth-watering crunchy palate. Juicy raspberry fruits with hints of underlying leafy cabernet. The finish is long and refreshing.
