

New Vintage

O'Deas Single Vineyard Cabernet Sauvignon 2023

Wynns is the proud custodian of many of the great vineyard sites along Coonawarra's Terra Rossa strip and each year, we select one vineyard to highlight the individuality of this site.

In 2023, we chose a young planting from the O'Deas 12.81 vineyard, located to the north of the winery. The O'Dea family farmed this land until 1966, before it was later sold and established as vineyard.

The Terra Rossa soil here is dark reddish-brown, with moderate depth to limestone and an average elevation of 57.5 metres. The current plantings are vine selections from our highly prized Childs vineyard, established on rootstocks.

The 2023 season proved challenging, yet the diligence of both vineyard and winemaking teams delivered high-quality, medium bodied wines. A wet spring required careful shoot thinning and leaf removal to improve airflow and minimise disease pressure. Our vineyards that were planted on well-drained Terra Rossa soils achieved the strongest results.

Tasting Notes

Vineyard Region

Coonawarra

Varietal Composition

100% Cabernet Sauvignon

Wine Analysis

Alcohol: 13.8%

pH: 3.60

TA: 6.5g/L

RS: 0.4g/L (dry)

Peak Drinking

Enjoy on release or cellar carefully for 10+ years.

Maturation

15 months in new and seasoned French oak barrels, and seasoned vats.

28% new, 34% 1yo, 5% 4yo, and 33% in seasoned vats (foudres).

Winemaking

Picked on 18th of April 2023.

Colour

Dark red with a deep core.

Aroma

Red and black cherry aromas with black tea and mint notes.

Palate

Lively raspberry acidity and notes of spice on the finish. A cool elegant wine with balance and poise.

Perfect Pairing

Prosciutto, Crusty Bread and Soft cheese – such as Burrata or even a Blue cheese. Salty, savoury flavours are offset by creamy cheese and the young Cabernet further matches and enhances the diverse flavours.
