## Single Vineyard Cabernet Franc 2024

Sourced from the McKillop Vineyard in the northern part of Coonawarra, the 2024 vintage marks the first release of a straight-varietal Wynns Cabernet Franc.

The season was momentous for Coonawarra Cabernet Franc, with a mild to warm, dry picking period and lower yields producing a wine of exceptional brightness, balanced fruit, and intense varietal expression.

A shorter maceration period, coupled with maturation in neutral 3000L French oak vats, has allowed the distinct character of Cabernet Franc to shine through, offering stellar vibrancy. This wine is perfectly suited for immediate enjoyment or short to medium-term cellaring.
